Consideration of Application		

The proposal seeks consent for alterations and additions to the dwelling, predominantly internal reconfiguration with a minor extension to the rear due to the straightening of an angled portion of the dwelling. The proposal does not seek the removal of any of the heritage listed cabbage tree palms. As the works are predominantly internal and there is no removal of the heritage palms, there is no impact to the item or its significance.

Therefore Heritage raises no objections and requires no conditions.

Consider against the provisions of CL5.10 of PLEP.
