**RE: DA2019/0081 - 12 Boyle Street BALGOWLAH NSW 2093**

Properties surrounding "The Lookout", a Heritage listed building with a rich history attached to it, are all part of the special history of the area. My property was built on land that was originally stables, No 8 was a coach house and the P & O Style building is heritage listed, as far as I am aware. This legacy should be treasured and maintained and the proposed development would be completely out of sync with the current standing properties. Council should proudly maintain the history and ambiance of the area and the proposed development would be totally against that.
