RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101

It has been known since the 70's that developing close to the beach was not a good idea. The council should have purchased back those houses close to beaches so they could have been demolished and returned back to dunes and beaches. I do not want to spend rate payers money propping up a few houses of some rate payers. I object to the wall. Please see a paper on how to manage beach areas,
