**RE: DA2024/1171 - 2742 / 9999 Condamine Street MANLY VALE NSW 2093**

I endorse this DA for 3 new squash courts. They will be great community assets, and be well patronised by the local community. To that point, whilst 3 new courts are fantastic, it would be even better if we could increase this to say five new courts. It would be a vibrant well used centre (just look at the likes of the squash centres at Elanora and Willoughby), and would make it a more financially viable operation to run the courts. Also, with squash being introduced at the next Olympic Games, wouldn't it be great if there was a current young teenager on the Northern Beaches who went on to represent the area and Australia at the Brisbane Olympic Games playing squash.
