RE: DA2024/0622 - 292 Condamine Street NORTH MANLY NSW 2100

I would like to make a submission regarding Warringah Golf Club's application to incorporate a bar and restaurant in the proposed new club house. These amenities would provide an area overlooking the golf course and affording a view similar to the Wakehurst Golf Club which is highly regarded. The facility would allow then general public and club members and guests to enjoy an amenable area to relax and dine. The Warringah Golf Club is located in probably the most densely populated area and would be used by many of the population.
