**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

This is a great development for the area and I am in full support. The housing and retail addition to the area will enhance the location and add choice for those wanting to move to the area and for those wanting to downsize. The provision of additional retail services and also medical services and likely pathology services will be great for this part of Belrose and encourage more jobs for this area. I urge Council to support this development.
