

SITE PLAN AND SITE ANALYSIS PLAN

NOTIFICATION PLAN

- GENERAL NOTES:
1. All dimensions are in metres and are to the centre of the boundary.
 2. All dimensions that relate to the boundaries and elements are subject to verification by site survey.
 3. All work to be done in accordance with the Building Code of Australia (BCA) and the Australian Standard (AS) for the construction of local council requirements & other authorities.
 4. The design is based on the information provided by the owner and is not a guarantee of the accuracy of the information.
 5. Any building in addition to what is depicted shall be removed between the owner and the owner's approval, except for any structural elements or changes which it is to be supported by structural engineer.
 6. The design is based on the information provided by the owner and is not a guarantee of the accuracy of the information.
 7. All electrical power & light outlets to be determined by owner.
 8. Make good and repair of existing finishes damaged by new work. Reuse existing material where possible.
