RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

To whom it may concern,
I fully support the DA submitted by French's Forest Market to use the Mona Vale RSL carpark for Sunday trading. I am one of a number of stallholders prepared to travel to Sydney (from Newcastle in my case) to reach a cosmopolitan demographic to sell my wares, and Organic Foods is one of the better operators available to work with. To lose such a good market with a loyal following built up over many years would not only be a shame, but also cost me a valuable outlet.

Regards,
Monte Dwyer
