RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

As life long residents of the immediate area we fully support the development application.

Manly Boat Shed and the Treharne family have been an integral part of North Harbour and Fairlight for more than half a century.

The proposed development would improve and enhance the local environment and continue to provide a safe and important service to boat owners and small leisure craft users, such as kayakers and paddle boarders.

The proposed kiosk would further enhance the development providing an excellent facility for boat owners, water craft users, local residents and tourists on the Manly to Spit walk who will stop and marvel at the beauty of our harbour.

We ask Council approve the Development proposal.

Regards,

Ewhen and Ann HRESZCZUK
