Submission from John Venables 210 Woodland st Balgowlah

I am concerned about the construction of the swimming pool and the use of my land (right of carriageway)

- a) The pumping of concrete and the vehicle and machinery for the project
- b) Access to park my vehicles on property

I have agreed on four occasions over the years including the neighbour that does not have right of access to use my property

The driveway has been damaged by heavy vehicles

Therefore I request a delapidation report to ensure this time any damage is repaired

Regards

John Venables
