RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

I am opposed to the 28 Lockwood Ave being turned into an oversized unit block. This is not in keeping with the area, which is a family area and homes, not apartments.

The proposed height of this building is 44% higher than the allowable height.

There is not the infrastructure for the increased traffic, trucks and residents. This proposal needs to be rejected and the area kept for the reasons everyone chooses to live here.

Because it's not over developed, full of units and endless traffic jams
