RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I strongly oppose this application. My children regularly play at the fields and parks in curl curl and i do not want them expose to this. My parents also live in walking distance to the area and this is a huge concern as they will be exposed 24/7. My children and family are regularly at my parents house, the tower will impact their future health and i am not happy about this at all. I strongly oppose this application now and in the future.
