RE: DA2020/1233 - 68 - 90 Evans Street FRESHWATER NSW 2096

I first joined the Harbord Women's Bowling Club back in 1983 not long after it was opened in 1981. I played for many, many years with Betty Campbell who is Steve Menzies Grandmother and Betty was our President of the Harbord Women's Bowling club. Betty played competitively up until a few years ago. We have monthly get togethers at Harbord Diggers and Betty comes along when she can, I know she is quite excited that there will be a Bowling Green again at Harbord Diggers and she is keen to come along for the occasional bowl. Betty is 94 yrs young. We have been waiting now for over 6yrs since we finished playing on the old Harbord Diggers Bowling Greens and can't wait to be able to get together and play again on the new Bowling Green at Harbord Diggers. We are fewer in number now approx 20 from the 99 women we had back in the 80's & 90's but never the less we are thrilled to be able to come back and bowl together again especially since we have had to ensure these covid conditions which has had an adverse impact on our members health and well-being.

Harbord Diggers has had a long association with both Men's and Women's Bowls on the Peninsula when they opened the new Bowling Greens (3 of them) in May 1981 by Warringah Shire President Cr Paul Couvret.

I sincerely trust that Northern Beaches council will look favourably on this proposal to finalise the Bowling Green at Harbord Diggers.

Sincerely

Mrs Joan Tucker
