RE: DA2021/0179 - 255 Condamine Street MANLY VALE NSW 2093

I have purchased a property off plan a few block down which is due to be ready next Easter I am word about the type of residents which will Occupy this boarding house!! There are little parking spaces in the boarding house which means all the streets will be full Of cars and noise!! I am also concerned about the creek and the nature
