PART 6 Notes for Completing Application for a Complying Development

1. A description of the land to be developed can be given in the form of a map which contains details of the lot number, DP/MPS, vol/foi etc.
2. A plan of the land must indicate:
 - a) location, boundary dimensions, site area and north point of the land
 - b) existing vegetation and trees on the land
 - c) location and uses of existing buildings on the land
 - d) existing levels of the land in relation to buildings and roads
 - e) location and uses of buildings on sites adjoining the land
3. Plans or drawings describing the proposed development must indicate (where relevant):
 - a) the location of proposed new buildings or works (including extensions or additions to existing buildings or works) in relation to the land's boundaries and adjoining development
 - b) floor plans of proposed buildings showing layout, partitioning, room sizes and intended uses of each part of the building
 - c) elevations and sections showing proposed external finishes and heights
 - d) proposed finished levels of the land in relation to buildings and roads
 - e) building perspectives, where necessary to illustrate the proposed building
 - f) proposed parking arrangements, entry and exit points for vehicles, and provision for movement of vehicles within the site (including dimensions where appropriate)
 - g) proposed landscaping and treatment of the land (indicating plant types and their height and maturity)
 - h) proposed methods of draining the land.

4. The following information must also accompany a Complying Development Certificate application for building work and change of building use:

Building Work

In the case of an application for a Complying Development Certificate for building work:

- a) copies of compliance certificates relied upon
- b) four (4) copies of detailed plans and specifications

The plan for the building must be drawn to a suitable scale and consist of a general plan and a block plan. The general plan of the building is to:

- show a plan of each floor section
- show a plan of each elevation of the building
- show the levels of the lowest floor and of any yard or unbuilt on area belonging to that floor and the levels of the adjacent ground
- indicate the height, design, construction and provision for fire safety and fire resistance (if any).

Where the proposed building work involves any alteration or addition to, or rebuilding of, an existing building the general plan is to be coloured or otherwise marked to the satisfaction of the certifying authority to adequately distinguish the proposed alteration, addition or rebuilding.

Where the proposed building work involves a modification to previously approved plans and specifications the general plans must be coloured or otherwise marked to the satisfaction of the certifying authority to adequately distinguish the modification.

The specification is:

- to describe the construction and materials of which the building is to be built and the method of drainage, sewerage and water supply
- state whether the materials proposed to be used are new or second hand and give particulars of any second hand materials used

- c) where the application involves an alternative solution to meet the performance requirements of the BCA, the application must also be accompanied by:

- details of the performance requirements that the alternative solution is intended to meet, and
- details of the assessment methods used to establish compliance with those performance requirements

- d) if relevant, evidence of any accredited component, process or design sought to be relied upon

NB if an EPI provides that complying development must comply with the deemed to satisfy provisions of the BCA a CDC cannot authorise compliance with alternative solutions to the performance requirements corresponding to those deemed-to-satisfy provisions

- e) except in the case of a class 1a or class 10 building:

- a list of any fire safety measures that are proposed to be implemented in the building or on the land on which the building is situated, and
- if the application relates to a proposal to carry out any alteration or rebuilding of, or addition to, an existing building, a separate list of such of those measures as are currently implemented in the building or on the land on which the building is situated.

The list must describe the extent, capability and basis of design of each of the measures concerned.

Change of Building Use

In the case of an application for a Complying Development Certificate for a change of building use (except for an application that, if granted, would authorise the building concerned being used as a class 1a or class 10 building):

- a list of any fire safety measures that are proposed to be implemented in the building or on the land on which the building is situated in connection with the proposed change of building use.
- a separate list of such of those measures as are currently implemented in the building or on the land on which the building is situated.

The list must describe the extent, capability and basis of design of each of those measures concerned.

5. Other information must indicate (where relevant):
- in the case of shops, offices, commercial or industrial development:
 - details of hours of operation
 - plant and machinery to be installed
 - type, size and quantity of goods to be made, stored or transported, loading and unloading facilities
 - in the case of demolition:
 - details of age and condition of buildings or works to be demolished
 - in the case of advertisements:
 - details of the size, type, colour, materials and position of the sign board or structure on which the proposed advertisement is to be displayed
 - in the case of development relating to an existing use:
 - details of the existing use
 - in the case of a development involving the erection of a building, work or demolition:
 - details of the methods of securing the site during the course of construction.

6. **Home Building Act Requirements**

In the case of an application for a Complying Development Certificate for residential building work (within the meaning of the *Home Building Act 1989*) attach the following:

(a) in the case of work by a licensee under that Act:

- a statement detailing the licensee's name and contractor licence number (*If a licensed builder is carrying out the work provide a copy of the builder's Licence*), and
- documentary evidence that the licensee has complied with the applicable requirements of the Act **(a copy of the Certificate of Insurance for the project if the value of work is greater than \$5,000)*, or

(b) in the case of work done by any other person:

- a statement detailing the person's name and owner-builder permit number, (*If the work is to be done by any other person provide a copy of the Owner Builders Permit*) or
- a declaration signed by the owner of the land, to the effect that the reasonable market cost of the labour and materials involved in the work is less than the amount prescribed for the purposes of the definition of **owner-builder work** in section 29 of that Act. (*If the building work is less than \$12,000 provide a statement that states the proposed work is less than \$12,000*)

* A certificate purporting to be issued by an approved insurer under Part 6 of the *Home Building Act 1989* to the effect that a person is the holder of an insurance contract issued for the purposes of that Part, is sufficient evidence that the person has complied with the requirements of that Part.

7. **Long Service Levy**

Under s 85A (10A) of the *Environmental Planning and Assessment Act 1979* a Complying Development Certificate cannot be issued until any long service levy payable under section 34 of the *Building and Construction Industry Long Service Payments Act 1986* (or where such a levy is payable by instalments, the first instalment of the levy) has been paid. The local council may be authorised to accept payment.

LEVY PAYMENT FORM

The levy rate is 0.35% of the cost of building work valued at \$25,000 or more (inclusive of GST). Where sending payment by mail a cheque/money order should be used. If paying at Corporation Office, cash or cheque/money order is acceptable (no cards).

INSTRUCTIONS

When completing this form, please print all details using CAPITAL LETTERS and write within the boxes.

PART A – DETAILS OF PERSON/COMPANY/ORGANISATION LIABLE TO PAY LEVY

To be filled in by the person liable to pay the levy if this is an individual. If a company or organisation, an authorised officer should fill in.

PART B – ADDRESS OF BUILDING/CONSTRUCTION WORK

The person completing Part A should also complete this section. Show the address where the building/construction work is to take place and include an estimated date for start and completion of the work.

PART C – DETAILS OF WORK – To be completed by consenting/certifying authority with whom plans lodged for approval

DA – Development Approval under the Local Government Act 1993 or Development Consent under Environmental, Planning and Assessment Act 1979

CC – Construction Certificate under the Environmental, Planning and Assessment Act 1979

CDC – Complying Development Certificate under the Environmental, Planning and Assessment Act 1979

Estimated Value of work – The value must relate to the DA/CC/CDC appearing above

This section is to be completed by an officer of the Council or accredited certifier with which plans are lodged for approval.

The Consenting/Certifying Authority is to indicate whether a Development Application, Construction Certificate or Complying Development Certificate has been submitted by circling either "DA", "CC" or "CDC" on the form, and include estimated value of the building work covered by the application. The levy payable should also be included. It can be worked out by multiplying the value of the work by 0.35%. When calculating the levy round down to the nearest dollar eg. \$485,260@0.35%=\$1698.41, levy=\$1698.

PART D – DETAILS – To be completed by Dept/Authority where applicable

"This section is to be completed where approval granted by a Crown body or body established by an Act of parliament (other than local councils)."

Please include the contract or DA number (if applicable), the contract/DA amount, levy payable (at 0.35% of the contract/DA amount) inclusive of GST.

PART E – DECLARATION – To be signed by person liable to pay levy or authorised officer if company/organisation

Must be signed and dated by the person, or authorised officer of the company/organisation, liable to pay the levy.

NOTE: Any false or misleading information provided on this form may result in prosecution under Section 58A of the Building and Construction Industry Long Service Payments Act 1986, (as amended).

PART F – TO BE COMPLETED WHERE APPLICABLE

"Owner Builders or Non-profit organisations who have obtained a partial levy exemption should enter the Exemption Approval Certificate No. in this section."
