RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

I object to the further development of this site in a quiet residential area.

My main concerns ,noise which will increase further with the proposed elevated balcony. Noise of patrons leaving the premise.

Parking in the residential streets surrounding the Hotel, and increased traffic.

Patrons already overflow the pub and line up along the footpath, making it dangerous as families are forced to walk on the road as they pass on the way to beach.

Regards K Horlyck.
