**RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096**

I would like to state my strong objection to the application by Harbord Hotel to make changes to their upper levels to accommodate more seating and to allow for outdoor entertainment. The noise factor will certainly impact on my living areas and the extra traffic that will be generated will impact on an already extremely busy area which is already way too busy I have witnessed many near accidents from people trying to negotiate their way to the beach. I therefore lodge this formal objection to any further redevelopment to Harbord Hotel
