Dear Sir/Ms.,

I am writing in very strong support of the Mona Vale Market opening an hour early on Sunday mornings.

Since relocation from Frenchs Forest which we are happy with, I strongly believe the extra hour of trading should be implemented to accommodate early shoppers like ourselves and better trading hours for the vendors who put in a lot of work in setting up, trading & packing up.

The market is located in Pittwater RSL carpark surrounded by a bowling green(s) & commercial buildings.

We believe it's the best thing to happen to the area for those of us that can't attend the Narrabeen Markets on Friday. We support market traders & are pleased the Council does to.

Please can these good people commence trading an hour earlier at 7:30AM as they did in Frenchs Forest.

Thank you, Paul Christie.
