Freshwater NSW 2096

RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096

As a resident of the Northern Beaches and in particular Freshwater, I am in support of this development application. The development has strong design principles and a generous landscaped area. It is pleasing to see there are plenty of parking spaces within the design to remove cars from the street and addresses both energy efficiency and carbon offset. In addition this development will provide much needed housing supply for the Northern Beaches. We would like to see the Council approve this development.
