RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Newport is a beachside village with a strong community feel. As a resident who walks to the beach, shops, bowling club and local restaurants, 'the soul of Newport is about walking' and living alongside the people. It is NOT about high rise, big apartment blocks and new heavy infrastructure. Keep Newport and allow it to grow like other beachside locations such as Avalon and Mona Vale. The strength of Newport lies in the community who love it just the way it is.
