Hi

I wish to 100% support the DA2020/0962 for Hugos Manly

The wharf area and Manly will benefit from the extra garden and public seat area plus allow extra seating for residents and guests to enjoy Manly at Hugos.

Dave Evans and his staff have supported the Manly community since its opening, sponsorship of local events, Manly Chamber of Commerce and many more

Any issues or concerns pls call or email
Kind Regards
Denver J Beven
