Hello recently I have been advised of a development application at 36 Bangaroo St  
I live at No 42 .Two doors away .Over the years the owner has turned this family home into a boarding house

I have witnessed up to 8 people living in there .While it shouldnt effect me because Im 2 doors away it occasionally does due to parties etc.Also parking in the street is a problem its hard to get a park now after 5 pm for my guests due to the amount of vehicles .I understand that the change of use will allow her to build a granny flat in the rear

Is this really what we want in our family neighbourhood ,I don't think so

So I would like to object to the change of use

Yours sincerely
