STORMWATER DESIGN CERTIFICATE

PROJECT: PROPOSED RESIDENTIAL DWELLING
LOCATION: 11 RAVEN CIRCUIT, WARRIEWOOD NSW

We, Global Consulting Engineers, the practicing Civil Engineers hereby advise that we will be responsible for the Stormwater certification for at **11 Raven Circuit, Warriewood NSW**

We are appropriately qualified and competent in this area of practice and as such certify that the design and performance of the design systems comply and are detailed in attached drawings GCE25115-Rev.A (SWDP01-SWDP04).

I hereby certify that I have reviewed the Stormwater design plan and that this work is in accordance with the relevant provisions of the Standard Building Codes as stated below:

- The Building Code of Australia
- Australian Standard AS/NZS 3500
- Northern Beach Council DCP
- C6.1 Integrated Water Cycle Management of Northern Beaches Council
- NCC Volume 2 Building Code of Australia 2022 & Housing Provisions Standard 2022.

This certification shall not be construed as relieving any other party of their responsibilities or contractual obligations.

Should you require any further information please contact the undersigned.

Yours faithfully,
GLOBAL CONSULTING ENGINEERS PTY. LTD.
