RE: DA2021/1541 - 20 Albert Street FRESHWATER NSW 2096

Hi there, this sounds like a great idea. Freshwater needs more local restaurants. The high street economy needs livening up. Often we want to go to dinner and all the restaurants are full. I can't wait to go to this oneit sounds great. I'm also desperate for the grocery store to open, Can I just note this high street and local economy definitely needs this. Anyone who moved to a busy high street and then wants to go and complain about noise of that said high street honestly needs their heads read. What on earth did you expect? If you want quiet then move to a farm! It was your choice to purchase here. If it bothers those people then install soundproof walls and glass. I just read the article in northern beaches review and as a local I want to throw my full support behind this and more restaurants with out door eating areas. This is very very exciting, Thankyou
