RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

Please this proposal is just so wrong on so many levels.as mentioned by many of the submissions that have been received. We should be taking advantage of these areas of bushland and retain them....as habitat. These blocks retain their values as historically they were difficult sites to access. We should take advantage of this and retain them.
