RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

We strongly object to this application based on the location of the tower being less than the Department of Education's recommendation. Furthermore, the potential biological impacts of EMF are of great concern to us, our children and the wider community.

Please listen to the overwhelming response of the locals who love Curl Curl, the parks and to protect our community and wildlife and wish to keep it the way it is.

Thank you for reading our submission.
