Re: Our Reference: **SS614268-1**

Dear Amelia Barry,

Thank you for your correspondence dated 26/03/2025 concerning your request to relocate the Telstra pit outside your property - 90 Harbord Road, Freshwater, NSW, 2096

We have conducted preliminary investigations into your proposal. We have no objections in principle to the proposed relocation to proceed with your Crossover plans.

Under no circumstances are you or any contractor you engage to modify, raise, lower, relocate the pit in question, this must be done by an authorised Telstra representative or contractor engaged by Telstra. Please be aware that Telstra will not hesitate to take action to recover costs for any loss or damage caused by interference to Telstra's network.

Please contact 1800 810 443 or email us on [F1102490@Team.Telstra.com](mailto:F1102490@Team.Telstra.com) if you require any modification of Telstra's assets.

Yours Sincerely,

**Seb Vartabedian**
