Dear council members

We are local residents and strongly support the application to extend trading hours for “The Joey” to allow dinner service to be offered.

We love all the amenities of living in such a special place as Palm Beach, and being able to have dinner on the newly renovated facilities overlooking the water would be a unique experience and truly enhance the amenity of the area.

Thank you for taking our views into consideration

Roslyn and John Kennedy
1127 Barrenjoey Rd
Palm Beach 2108
