RE: DA2023/0511 - 337 Lower Plateau Road BILGOLA PLATEAU NSW 2107

I am appalled that this development could be contemplated. It would destroy the habitat of bats, possums, bandicoots and I'm sure many more. There is a creek running through which is home to many reptiles and frogs. To destroy over 90 trees is vandalism on a grand scale. We are proud of the number and variety of bird species here which will surely be threatened when their habitat is gone. Hoping sanity prevails!
