Subject: DA 2019/1092 lot B DP 104229, 64Fairlight Street, Fairlight, 2094

We live in no 62 Fairlight Street, Fairlight, and are direct neighbours of the above property.

We very strongly object to such a proposal!

A swimming pool in this small front yard is unacceptable. No matter if it is fenced or not, young children could always find a way to get into a pool so close to other properties and main road.

(we have 4 young grandchildren).

The noise from the pool operators would also greatly disturb us , since it would be next to our bedrooms!!

The top/ roof extension does not fit at all to the character of the street!

All in all we find this proposal not only unacceptable but outrageous.
