NOTICE OF DETERMINATION FOR MODIFICATION OF DEVELOPMENT CONSENT

Application Number:	Mod2023/0507 PAN-371341
Applicant:	JJ Drafting Australia Pty Ltd 26 / 90 Mona Vale Road WARRIEWOOD NSW 2102
Property:	Lot 10 DP 27133 10 Taminga Street BAYVIEW NSW 2104
Description of Development:	Modification of Development Consent DA2021/0060 granted for Alterations and additions to a dwelling house
Determination:	Approved Consent Authority: Northern Beaches Council
Date of Determination:	23/10/2023
Date from which the consent operates:	23/10/2023

Under Section 4.55 (1a) Minor Environmental Impact of the EP&A Act, notice is given that the above application to modify the original application has been approved, subject to the conditions specified in this notice and as described in the Modification Summary.

Reasons for approval

The development proposal meets the Objects of the Environmental Planning and Assessment Act 1979, contained in Section 1.3, having considered the relevant provisions under s.4.15 of the aforementioned Act. Consequently, the development is considered to be in the public interest, subject to conditions.

Community views

The application was notified in accordance with Council's Community Participation Plan and the Environmental Planning and Assessment Regulation 2021. Any submissions received representing community views were considered as part of the assessment of the application. Conditions of consent included within this Notice of Determination have been applied to ensure that the development satisfies the Objects of the Environmental Planning and Assessment Act and will not result in unacceptable environmental impacts.

Request a review of the determination

If you are dissatisfied with this determination, you may request a review of the determination:

- You do not have the right to request a review of the determination under section 8.3 of the EP&A Act if you are excluded from those developments listed under Section 8.2(2) of the EP&A Act.
- You may request a review of the consent authority's decision under section 8.3(1) of the EP&A Act. The application must be made to the consent authority within 28 days from the date that you received the original determination notice provided that an appeal under section 8.7 of the EP&A Act has not been disposed of by the Court.

Rights to appeal

You have a right under section 8.7 of the EP&A Act to appeal to the Court within 6 months after the date on which the determination appealed against is notified or registered on the NSW planning portal.

Objector's right of appeal against the determination

An objector who is dissatisfied with the consent authority's determination to grant consent, in relation to Designated Development only has the right to appeal to the Court against the determination under section 8.8 of the EP&A Act within 28 days after the date that the objector was notified of the determination appealed against.

In the event of any inconsistency between the approved plans, reports and documentation, the approved plans prevail.

In the event of any inconsistency with the approved plans and a condition of this consent, the condition prevails.

Reason: To ensure all parties are aware of the approved plans and supporting documentation that applies to the development.

B. Amend Condition 9. Amendments to the approved plans to read as follows:

- A 1.65 metre privacy screen (measured from finished floor level) is to be erected for the entire length of the outermost eastern edge of the balcony located off the kitchen/dinning room on the Entry Level as shown on the approved plans. The privacy screen shall be of fixed panels or louver style construction (with a maximum spacing of 20mm), in materials that complement the design of the approved development.
- A 1.65 metre privacy screen (measured from finished floor level) is to be erected for the entire length of the outermost eastern edge of the balcony located off the bedroom 3/rumpus room on the Lower Level as shown on the approved plans. The privacy screen shall be of fixed panels or louver style construction (with a maximum spacing of 20mm), in materials that complement the design of the approved development.
- Windows N1 and N2 shall have a minimum sill height of 1.7 metres, when measured from the finished floor level of the walk-in pantry (WIP).

Details demonstrating compliance are to be submitted to the Certifying Authority prior to the issue of the construction certificate.

Reason: To ensure development minimises unreasonable impacts upon surrounding land.

Important Information

This letter should therefore be read in conjunction with DA2021/0060, dated 24 May 2021

Planning Principles

In a merit consideration of the proposal, consideration of the development has been given against the Land and Environment Court Planning Principle in relation to The extent of demolition - alterations and additions or a new building detailed in Edgar Allan Planning Pty Limited v Wollahra Municipal Council [2006] NSWLEC 790 as follows:

Will the development result in an alteration to an existing by more than half (50%) of the existing external fabric of the building is demolished?	No
--	----

(Note: The area of the existing external fabric is taken to be the surface area of all the existing external walls, the roof measured in plan and the area of the lowest habitable floor)	
Is the development considered to be Alterations and additions; or	Yes
Is the development considered to be a new building	No
