RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

Re DA application for Mona Vale Market (Sundays)

Brickfields is one of the regular traders at Frenchs Forest market. We have developed a strong relationship with our regular customer basis there. We attend a number of markets across Sydney and can confidently say that Frenchs Forest is one of the best run and attended markets in Sydney. It draws in residents and visitors from the entire Northern Beaches area for their weekly shopping. It provides a healthier alternative to supermarkets and shopping centres that encourages a real sense of community. It would be a real shame if this market was to disappear simply because the current site is no longer available.
