Subject: DS2020/1397 - 16 Bangaroo St North Balgowlah - Objection

Dear Penny

I object to the proposed childcare at 16 Bangaroo Street due to:

- noise – I am home for most of the day and even the noise from the works they've done to date has been a nuisance, I imagine once there are 24 children there this will be worse.
- traffic – It's a busy, narrow street that I try not cross, the extra traffic will make it impossible.
- danger - the extra traffic can only lead to disaster.

I don't believe this is the right place for a childcare centre.

Thank you
Judy Masters
