RE: DA2024/1362 - 40 Myoora Road TERREY HILLS NSW 2084

I have reviewed the plans for the development and strongly support this proposal. This is an exciting development that will bring great hospitality and entertainment value for all locals and the broader community to enjoy, on a site that has so much to offer. It will create many new jobs for residents of Terrey Hills, working in a well established and reputable company. Having grown up in Terrey Hills, I believe this will be a great contribution to the local economy and lifestyle.
