Dear Heidi ,

Thank you for your letter.

As I cannot make it to the planning panel council committee - could you please read the following out ...

It is absurd that there is disputes regarding the DA's you are considering. There is an LEP/DCP in place which should be strictly adhere to - but the process and indeed this meeting allows it to be ignored .

Residents are sick and tired of breaches and so called negotiations that have destroyed the character and life style of our area. There should be no discussions about these DA's, they should be stopped and re-submitted within the Pittwater LEP/DCP codes and regulations.

To do otherwise, ridicules this council and the process of fairness and the wishes of our community.

Local residents will be watching with intense interest the approvals the council allows. I'm sure if these approvals further anger the community, electoral repercussions will no doubt follow.

Thank you,

Anna Maria Monticelli
