RE: DA2023/1392 20 Homestead Avenue COLLARROY NSW 2097

Good morning I am concerned about the SIZE of this development in a street of normal size homes. It seems a very OVER-development. There is also the issue of MORE traffic in an already very congested street Being in close proximity to the beach the street is often FULL of parked cars. My car has been hit 3 times. I will provide a Stat Dec and details re the damages if required
