Subject: Development Application DA2021/2232 Pittwater Rd., Bayview

The issues raised by the applicant of the above DA in a letter in my letterbox on 29/1/2022 are completely irrelevant to the objections raised by submissions against this development.

My objections still remain the same

1. No documentation has shown that this property has access to Vista Avenue
2. Covenant H566786 is not complied with and this covenant will not be removed
3. No provision for parking of 2 cars per dwelling as per council regulations
4. Access to this property is to be from Pittwater Road.
