**Subject:** DA2021/0345 - Submission

Regarding DA2021/0345.....we are situated at 8 Gunjulla Place, sharing a border with 16 Ruskin Rowe.

Reviewing plans presented, we note the landscaping plans along our mutual border. There is running bamboo on this border - we would be open to discussions to work together to eliminate the bamboo if that would help with the landscaping plans.

Other than that, construction noise would be a concern, as we work from home and would like an understanding of the timing of this project. Consideration towards us running business from home would be appreciated.

Many thanks  
Clare & Grant Crawford.
