## SERVICE AGREEMENT

I, the undersigned, declare that I have the legal authority (express or implied) to engage a Principal Certifying Authority (PCA) for the building works described in this document and verify that all information pertaining to such work is correctly stated on this form.

I understand that this Notice must be given to the relevant Local Council two (2) days prior to the intention to commence building work in accordance with S81A (2)(c) of the EP&A Act and verify that no building work will commence prior to the date given in the Date the Building Work is to Commence" section of this document.

As a condition of appointing the Principal Certifying Authority (PCA) stipulated on this form, I agree to undertake the following responsibilities; to contact the PCA for all **critical** stage inspections (as listed below) and all other inspections required as a condition of Development Consent, not less than 48 hours prior to the commencement of that stage of work to carry out building work in accordance with a current development consent; to notify the PCA of any intent to depart from the issued development consent as soon as the intention arises; and to verify all documents provided to the Private Certifying Authority are bona fide and correct in detail.

I agree to contact the PCA at the following **critical** stages of development, but not limited to these stages, for the purpose of satisfying The requirements of Clause 162A of the Environmental Planning and Assessment Regulations 2000.

- \* At the commencement of building work
- \* After an excavation for, and prior to the placement of any footing
- \* Prior to pouring any in-site reinforced concrete building element
- \* Prior to covering of any framework for any floor, wall, roof or other building element
- \* Prior to covering waterproofing in any wet areas
- \* Prior to covering any stormwater drainage connections

\* After the building work has been completed and prior to any occupation certificate being issued in relation to the building
 \* Any other stage as specified by the PCA

I also agree to maintain all required onsite PCA identification signage until the completion of all building works.

I fully understand that failure to satisfy the above statutory requirements may result in a Final Occupation Certificate not being issued in relation to the subject building.

Note: Non-compliance with these requirements may necessitate in the PCA issuing a Notice of Intention to Serve an Order. I/<del>We</del> confirm that I/<del>we</del> am/<del>cre.not</del> the principal building contractor(s) for this project.
