**RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106**

I am fully supportive of the proposed redevelopment of the Newport surf life saving club as it plays an essential part in supporting the safety of the community. The building is old and no longer fit for purpose to support modern surf lifesaving requirements. I have been an active and patrolling surf lifesaver for more than 35 years. I currently live in Manly and I am the President of Manly LSC. However in 2011-2015, I lived in St Ives and frequently attended the Newport surf club and trained at Newport Beach. The club's facilities need a significant upgrade to support its members and the local community.
