RE: DA2021/0375

To whom it may concern,

We have reviewed the plans for Lot 3 DP 224801 54 Yarrabin Street, BELROSE and have one issue of concern.

B7

Lack of privacy - The balcony off the lounge room on the second floor will look directly into our property and expose and give us a lack of privacy when we are in our own home.

We request you consider removing the balcony.

Thank you and Kind Regards,
