RE: Mod2016/0293 - 80 Evans Street FRESHWATER NSW 2096

I strongly disagree with modifications to the noise times being extended. 7 am - 5pm is adequate time and I do not agree with 7 am -8pm. I accept the right of properties to be developed but there is already quite a burden on the local community. Noise, dust, trucks etc. Allowing development till 8 pm would really impact on and degrade the amenity of local residents, causing an increase in stress due to noise. It would also set an alarming precedence.
