**RE: Mod2022/0090 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

Mod2022/0090 - I do not support the amendment to remove the requirement to plant out the area around the proposed structure. My understanding is that the replacement power pole will be higher than the surrounding light poles and that there will be associated infrastructure including a large metal box . My understanding is that this planting is necessary to reduce the visual impact of the proposed structure. I also consider that such planting would deter potential vandalism of the structure.
