**RE: DA2020/1167 - 9 Francis Street DEE WHY NSW 2099**

I write in support of the proposed development at 28 Fisher Road. Dee Why.

I have reviewed the documents as lodged with Council and believe this development is important to the quality of life many residents of the Northern Beaches.

Its purpose to provide socially conscious housing for local residents is a vital resource and place of protection for vulnerable person. The design is a definite enhancement to the local street scape of both Fisher Road and Francis Street.

It is clear that serious effort has been made to minimise impact on the neighbouring properties and as such, it is fair to say this is a responsible and attractive development. Accordingly, I support this development.

Thankyou
