**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

Thank you for the opportunity to consider the development proposal at 28 Lockwood Ave. I am less concerned with the slight breach in maximum height of the development than I am with the impact on the local intersections. If a better design and construction (contribution) of the intersection of Lockwood Ave and Blackbutts Road was a condition for development approval I am supportive of the development.
