**RE: DA2022/1542 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

We oppose the development DA2022/1542 lot 52 DP1237461 80-82 Mona vale rd Mona vale on the grounds that the club can not be trusted to stay within the Parameter's set on their outdoor dining area. The outdoor dining area also has loud outdoor music playing and on plenty of occasions over the last 12 months have played the music well past their curfew. The music is loud and penetrates the surrounding houses, to the point where all the doors and windows must be closed to block out the noise. This is not ideal especially in summer time.

Thank you for your time.

Sincerely Simon
