

To whom it may concern,

On the 16th of September 2013, we conducted a survey of the existing conditions of the basement car park at the Manly Wharf premises on East Esplanade, Manly. The attached survey plan titled 'Existing Conditions Basement Car park, Manly Wharf' Rev A dated 20/09/13 is an accurate representation of the premises at the time of the survey.

If you have any queries please don't hesitate to ask.

Regards

Craig Burney

Manager NSW/ACT
