RE: DA2024/0675 - 84 Mona Vale Road MONA VALE NSW 2103

DA2024/0675 Pittwater RSL Pickleball on Car Park Roof

How many loud speakers will be used for tournaments?

Will existing tall trees facing bowling green remain?

Will a 2.?? noise barrier be high enough?

All of the above impact on local residents. Please ensure application is not just given the green light because of words used by consultants in the process.
