RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

Hi,

My apologies for the late submission, as we only just received this in the post Friday.

I'd like to voice our strong opposition to the Construction of the telecommunications Facility.

I believe that as a recreation area the visual pollution of such an installation would detract from the amenity of the park.

Additionally the EMR close to areas frequented by children and families is concerning. Along with the proximity to the North Curl Curl Public school.

Regards,

Jason
