RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I Object to the amended plans for DA2017/1274:

This development will cause irreversible damage to the Bayview wildlife corridor and request it be stopped. This land should be permanently protected from development. This development will be a 5 acre, 7 building, 3 storey blockage of the wildlife corridor.

This is biodiversity land, and a high priority wildlife corridor. This large Seniors development is out of character with the surrounding area. I question if it is legally permitted on this land?
